Curriculum Vitae of Sen He (何森)

CONTACT INFORMATION	Alan Turing Building (BB), University of Surrey GU2 7XH, Guildford, UK	0044-7751580133 sen.he@surrey.ac.uk

RESEARCH INTERESTS

Computer Vision, Machine Leaning, Attention Models in Computer Vision, Few-Shot Learning, Generative Models

EDUCATION

University of Exeter, Exeter, UK

Ph.D., Computer Science, Nov 2016 - April 2020
- Thesis Topic: *Visual Attention in Computer Vision (Thesis)*
- Supervisor: Dr. Nicolas Pugeault

University of Edinburgh, Edinburgh, UK

MSc, Signal Processing and Communications, Sep 2015 - Sep 2016

Nanjing University of Posts and Telecommunications, Nanjing China

B.S., Communication Engineering, Sep 2011 - Jun 2015

WORKING EXPERIENCE

Research Fellow   May 2020-Present
Research Fellow at **CVSSP**, **University of Surrey**, working with **Prof. Tao Xiang** and **Dr. Yi-Zhe Song**.
Summer Internship   Summer 2019
Toshiba Cambridge Research Lab, Computer vision Group
Project: Spherical CNN for Image Semantic Segmentation

PROJECTS

EP/N035399/1–Co-Investigator
- EPSRC research grant   Dec,2016–May,2018
  - DEVA-Autonomous Driving with Emergent Visual Attention

PROGRAMMING SKILL

Programming Language
- Python, Matlab, C
Machine Learning framwork
- Pytorch, Tensorflow

TEACHING EXPERIENCES

Teaching Assistant   Spring 2017
ECCM1416, Computational Mathematics
Instructor: Dr. Nicolas Pugeault
Department of Computer Science,
University of Exeter
Teaching Assistant   Winter 2018
ECM3423, Computer Graphics
Instructor: Dr. Anastasios (Tassos) Roussos
Department of Computer Science,
University of Exeter
